Players must be 18 years of age to participate. The league starts on Sundays in November. The first 16 teams paid in full will be allowed to enter the league.

2022 YOUNG MEN'S BASKETBALL LEAGUE RULES

THERE WILL BE A MANATORY MEETING ON MARCH 21th 5:30pm @Amrory

1. No names can be added to the rosters after March 27th. All roster changes must be made in person in the Parks and Recreation Office. The season will begin on Sunday, March 27, 2022.

ELIGIBILITY RULES

- 2a. The Torrington Parks and Recreation Department and the Parks and Recreation Commission's Sports Committee will enforce all eligibility rules.
 - 2b. Each manager must sign the team's roster, certifying that all information is complete and accurate. Any fraudulent information given on a submitted roster and/or violations of the eligibility rules at any time will result in a suspension from the league and possible expulsion.
 - 2c. Rosters may be audited at the start of the season or during the season as deemed necessary. At any time, a request may be made for a player to provide information to verify eligibility. The player will have 48 hours to show proof of eligibility, or the team will face suspension and forfeit each game until eligibility is verified.
 - 2d. Make sure your players are eligible and legally qualify to play in Torrington. DO NOT RISK A SUSPENSION OR EXPULSION.
 - 2e. Any team found playing illegal players will be issued up to a 10-game suspension and \$30.00 fine for both the manager and player(s) for the current season for first time offenses. If there are less games remaining in the season, then the number of games issued with a suspension, the remaining games of the suspension will carry into the next season. If a manager and/or player are found violating this rule more than once, the manager and/or player will be subject to expulsion from the league. The Parks and Recreation Commission's Sports Committee reserves the right to issue the final decision on the terms of the suspensions and fines. Fines must be paid before reinstatement.
 - 2e. All games that the illegal player played in will be forfeited.
 - 2f. The Parks and Recreation Commission's Sports Committee reserves the right to issue the final decision on any player's eligibility.
3. The Parks and Recreation Department is not responsible for any injuries of league players, managers, referees, or league officials.
 4. Protests shall be made within 24 hours in writing with a \$25.00 fee. If protest is upheld, money will be refunded.
 5. The entry fee is local and for an out of town team
 6. Technical Fouls - Player(s) who receive two technical in a game will be ejected. Managers only are allowed to discuss infractions with referees. Player(s) who receive one technical will be fined \$10.00 plus one game suspension. Player(s) who receive two technical fouls will be fined \$10.00 for the first and \$20.00 for the second and consecutive technical fouls; also the player will be suspended for two games. Player(s) who receive three technical fouls in one season will be suspended for the entire season of play plus fines. Individuals will not be able to participate in any Park and Recreation Programs until fines are paid. All fines must be paid before next game.

7. Drinking or use of illegal substance in building or on school property will result in expulsion of entire team from league play for the season.
8. Once a player has played in a game for one team, he cannot switch to another team or league.
9. The League Coordinator and the Sports Committee of the Park and Recreation Commission or persons so designated by the Sports Committee will review all entries and classifications. They will have the final say on each team's selection.
10. Fighting - Anyone involved in fighting will be expelled from the league. Any ejected player may be subject to a suspension which length will be determined by the severity of the incident. Fighting will not be tolerated. Any second offense of fighting will disqualify the offender for 365 days from the date of the incident in accordance to the basketball season. Any player, manager, or spectator attempting to or actually pushing, striking, or otherwise coming in contact with an official will be permanently barred from future participation in any activity run by the Parks and Recreation Department.
11. Games - Young Men's League Games will consist of 2 twenty minute halves, running time. The clock will only stop when the last two minutes remain at the end of each half. There will be two time outs allowed per half. Overtime periods are three minutes each. One additional time out will be awarded per team for each overtime period. Overtime periods are an extension of the second half. There will be an alternate possession rule this year in the league. There will only be a jump ball at the beginning of the game. There will be a 25-point rule. When one team in the second half of the game leads by 25 or more points the game will be called, with 4 minutes or less left in the game. The one and one shot rule will take effect on the seventh team foul. If the previous game runs past the time of the next scheduled game there will be no grace period but five minutes of warm up will be allowed. Play will begin when five players are available, not when a team has its five desired players. It is solely up to the officials and the supervisor if games are to be forfeited or played. Once the schedule has been printed and distributed no games will be changed for any reason.
12. A team with two forfeits is out of the league. (A team can buy back a forfeit – cost of officials & scorekeepers).
13. Players are not to wear game sneakers into the gym. Managers are asked to continuously impress upon their players that our use of school properties can be discontinued if they are abused.

NOTE: No jewelry is allowed in Young Men's League Basketball games. No exceptions will be allowed. Officials will enforce this rule.
14. Food and beverages are not allowed in any gymnasium. Spectators and players should not wander around the facilities. They should be confined to the gymnasium.
15. This rule has been added as of 2000: In order to continue to keep the league running smoothly, we have decided to institute a rule change. In the past, at the discretion of the officials, a player could be asked to sit down in lieu of a technical foul which would require the player to pay a fine and sit out one game. This practice has helped officials to control the game without the use of a technical. This sit down period has allowed both the official and player some time to cool down.

Since it is the objective of this league to have players get together, have some fun, and get some exercise, we have decided to make this an official league rule. If the official tells a player to sit down, he must remain out of the game for five minutes. This rule does not mean that there will be no technical given. The rules remain the same for technical fouls. The sit down rule is totally at the discretion of the

official.

We as officials feel this rule will make this league more enjoyable for all players and officials involved.

16. The season will consist of a 10 games W/Playoffs championship and an All-Star Game.
