

TORRINGTON PARKS & RECREATION

Junior Scientist Fun Lab

Preschoolers discover science! This program is great introduction to science as preschoolers explore the human body & our senses, the science of colors and the way things move. Children may explore fossils & take an exciting mission with Mad Science to explore the planets, moon and stars. Junior Scientists continue the science at home with take-home projects related to each subject.

Ages: 4-6 (Pre-K and Kindergarten)
Dates: 7/26 - 7/30
Times: 9:00 AM - 12:00 PM
Location: Coe Memorial Park
Fee: \$205.00 per student
Min./Max.: 12/21 students
Instructor: Mad Science of Western New England

Crazy ChemWorks

Shake up a flask of fun in the lab as a junior chemist! This week of fun is packed solid with explorations of cool chemical & physical reactions, laboratory equipment, acids and bases, fluorescence, states of matter, atoms & molecules and much more! Children take home a complete set of labware by the end of the week to continue the chemistry fun at home.
